

**Memories Through Senses**  
Post Activity

**Program at Nature Station:** Sensory Adventure

**Grade Level:** K-2

**Program Length:**

Prep time: 5 minutes

Activity time: 15- 30 minutes

**Group size:** Any

**Setting:** Classroom

**Materials:**

Construction paper

Crayons

**Procedure:**

On a piece of construction paper have the children divide the page into five sections. At the top of each section have them list one of the five senses. Next ask them to draw a picture for each sense. Under hearing they should draw something they heard while visiting the Nature Station. Continue doing this with touch, smell and sight. Under taste they should draw something they love to eat!

**Assessment or Evaluation:**

Have the children take turns to show their pictures and tell the rest of the class what they drew for one or two of their senses.
